Hooves for a Cure Prayer

Written by Rose Stewart of BGTRC

Heavenly father as we approach you this day we ask for your blessings upon this ride. We ask that each hoof print we leave behind be a reminder of the reason we are here. Thank you for the beautiful horse that you have blessed us with and the many angels we call friends. We lift those that cannot attend today up to you and ask your hands be upon them... where ever they may be and what ever their battle. We know you are the divine healer lord and we ask that your blessings be upon this ride. Thank you for keeping us safe and helping us to remember those that are battling cancer, those that have survived this affliction... And for the ability to be able to help contribute to the breast cancer awareness cause... in Jesus name amen.

A LITTLE HISTORY

On October 6, 2007 10am the Hooves for a Cure Prayer was read and close to 300 riders headed out on trails across Oklahoma, Missouri and Arkansas, lacing trails in pink as trail riders joined together to raise funds, awareness and fund mammograms to fight Breast Cancer with "Hooves For A Cure."

The idea had been on the mind of Skiatook trail rider Debbie Briggs' for quite some time, but when her sister was diagnosed with breast cancer, the wheels began rolling to implement the program. With the help of fellow trail riders and members of The Bad Girls Trail Riding Club, Oklahoma Equestrian Trail Riding Association., Duncan Lake Riding Club, Bushwhackers in Oklahoma and Cowgirls UP in Arkansas and Missouri, the rides were scheduled and held with great success. Each ride involved some differences due to location and local participation.

Some participants rode for "honorees" of the event, most of which include the riders' friends and relatives affected by breast cancer. Several riders were breast cancer survivors. The riders were encouraged to wear and tack up with as much pink as possible. What a site it was to see. Not only the women, but the men and horses were not shy about wearing Pink

Everyone involved agreed that it was an awesome experience and all the organizers said "let's do it again!"

So join us on October 3, 2009.

Camping or ride fees are not included in donation.

If a ride is canceled due to weather, net proceeds collected previous to the ride will be donated

For safety reasons, please no stallions and no alcohol on the trails

Liability release forms will be signed before entry at all ride locations.

Net proceeds will be donated to fund mammograms, research and to raise awareness in the fight against breast cancer.
